Connections

The Chamber gives you the opportunity to network and meet other business owners. Our members include many local

business, organization and community leaders. If you participate in the Chamber as a member, you will make connections that matter, to your own business and to the Island.

Off-Island promotion

One of the Chamber's goals is to help people find Vashon so they

can purchase your art, patronize your business and frequent your events. We do this through off-island promotions and partnerships with other area Chambers. We also maintain a great website, giving you a worldwide presence.

Celebrating the Island, Chamber style!

Did you know that the Vashon Chamber runs the Strawberry Festival, Halloween celebration, and the traditional Holiday Open House? We also partner with other organizations to bring you the Chalk Walk and the Bunny and Bonnet Parade at Spring Fling. Our hands and hearts are in everything — and these events bring people in our community together.

Office Solutions

As a member, we give you access to fax capabilities, a QuickBooks tutorial library and conference meeting space.

Going Deeper

This Chamber is focused on drilling down into the tough issues. We coordinated a transportation summit on our Island, which is so reliant on ferry and other transit services. We continue to play an active role in this community, helping you focus on issues of magnitude that need further discussion and exploration. We have key

relationships with King County and state officials, which make the Chamber a powerful and effective voice on behalf of our Island community.
